

Request for Reinstatement

March 22, 2010

Dear Mr. Poon;

My attorney, William McKallar neglected to inform me of the action taken by your office. The only way I knew of it was through using the Public Pair System which I myself checked periodically each week. This letter is to serve notice of his dismissal by me and I would rather you deal with me directly. I have enclosed contact information at the conclusion of this letter. I personally checked on March 2, 2010 and on March 11, 2010. My reply to my inquiry was failure to respond to an offer action.

I will be asking for help in the prosecution of this patent application from the I.A.C. I would appreciate any help you may be able to give me in this matter. I would like this letter to be posted in my file wrap. Thank you for your cooperation in this matter. My confirmation number is 1-165-804807

Sincerely;

P.S. The tooling on this product is done. I am waiting for the patent. I will hold you liable for infringers that are now producing my products. I am an independent inventor and manufacturer and will launch without patent protection. See you in court.
